Feedback from Unit 3

Positive: present perfect, I have to say, self-paced learning, as long as, face a better,

Errors:

You said	It should be
The pandemic situation has made that people	Make used with the meaning of force is only followed by a bare infinitive in the active voice and a to-infinitive in the passive voice The pandemic has made people change (active) People have been made to change (passive)
They can studying/ you can learning	After can only a bare infinitive. They can study
Studying it could be	Studying is a subject; it is a subject. You are duplicating the subject. Studying is more than enough
Can let them that in the future	Let is about permission. Here you mean enable not let.
One of the disadvantages that it have	One of the disadvantages that it has
It is very important the subject that you choose.	Duplication of subject again. The subject that you choose is very important.
A really values	A real value
Don't know which word you used	after tolerance. Did not understand it
Pronunciation issues	Open the links, listen to the word and pronounce it, record yourself, listen again and pronounce, repeat as many time as you see fit.
